ABOUT THE ORGANISERS

The Co-Founder event was founded by Founder2be, a Helsinki-based startup that has organised this event in cities all over the world in partnership with local entrepreneurs.

The Lagos event is being hosted by the founders of Entarado.

The logo for Founder2be features the word "founder" in a dark grey, lowercase sans-serif font, followed by "2be" in a bright blue, lowercase sans-serif font.The logo for Entarado features a stylized yellow graphic of three horizontal lines of varying lengths, resembling a speed or motion icon, positioned to the left of the word "Entarado" in a bold, black, uppercase sans-serif font.

Founder2be is the world's largest community of startup entrepreneurs looking for a co-founder. It has connected 15,000+ designers, developers, engineers, marketers, sales people, advisors, and investors through its online matchmaking platform & networking events.

Entarado is a Nigerian startup founded by four young and enterprising Nigerians. They aim to build technology-based products and tools to help startups and small businesses in Nigeria. So far, they have launched WebBlis to help small businesses get online and Schoolboard to help schools organise and send results to students.
